OC Assistance
Request No. 84-01

OC-M83-1204

30 DEC 1983

MEMORANDUM FOR: Deputy Director for Administration

FROM: William F. Donnelly ☐
Director of Communications

25X1

SUBJECT: Assistance to Another Government Component ☐

25X1

REFERENCE: ☐

25X1

1. The following is a request for approval to provide assistance to another government component. This request is submitted after the fact because of the urgency of the requirement and a determination that the support was consistent with reference guidelines. The following information is keyed ☐ requirement:

25X1

a. Assistance Required: The loan of one KY-3 secure voice system, including one KYX-9 handset.

b. Duration of Assistance: A one-year loan subject to annual review and renewal.

c. Organization Involved: CIA/OC supporting the Department of State.

d. Activity Rationale and Assistance: The Department of State has been tasked to provide secure voice service to the President's Middle-East Special Envoy, the Honorable Donald Rumsfeld, by 21 December 1983. The Department of State canvassed the community to obtain all or part of the equipment to fulfill this requirement; however, only CIA had sufficient assets readily available for loan.

25X1

SUBJECT: Assistance to Another Government Component

25X1

e. Agency Financial and Manpower Requirements: Not applicable.

f. Contact Information: Should additional information be required, please contact

25X1

g. Financial Reimbursement: Not applicable.

25X1

2. The transfer of COMSEC equipment/systems between U.S. Government Agency/Departments is a common occurrence. CIA has utilized this Inter-Agency conduit repeatedly in the past in order to meet urgent unprogrammed operational requirements and most likely will have to use it again some time in the future.
